

N X 2 3

PUBLIC PRICE LIST NO.3 DATED 19-09-2023

MODEL YEAR 2024

"NExT is more than a multi-purpose vehicle, it's a design icon of the future of mobility, it's architecture in motion. Essential and minimalistic lines define its profile, drawn and crafted by the hands of Italian visionary designers and engineered by a team of innovative and expert minds."

*Tommaso Gecchelin, CEO and Inventor of NExT
during his keynote speech in Munich at TEDx TUM international conference.*

N X 2 3
